Dear Business Owner/Chamber Member,

Your local Chamber has been an important part of this town for 91 years and is a strong, purpose led group of passionate and driven business people with a united ambition of creating a better future for this town by maximising the outcomes and potential of local business. We are here for you – our business owners, to not only keep small business alive and well supported, but to develop positive and innovative strategies to attract new business opportunities to the area.

What do you gain by being a proactive member of Chamber?
